Jocelyn Boyd
Chief Clerk/Executive Director
Public Service Commission of South Carolina
101 Executive Center Drive, Suite 100
Columbia, SC 29210-8411

Dear Ms. Boyd,

We appreciate the Commission's request to report any potential conflicts of interest between the Regulatory Assistance Project (RAP) and any of the entities identified on the attachment you supplied re: Dockets 2019-184-E; 2019-185 E; 2019-186-E.

Management has reviewed the results of our annual staff conflict of interest survey conducted earlier this year, and no conflicts with any of the entities identified by the SC PSC were noted. In the time we have had to respond to your message we have also checked details with staff that were available, and no conflicts were identified. Currently, we have not identified all potential sub-contractors for any work RAP might do with the SC PSC and thus, have nothing to report on conflicts of interest. RAP would do a conflict of interest review of any candidate sub-contractor that may work with the SC PSC.

Sincerely,
